

SCALABLE DRY DECON FOR ANY INCIDENT

CONTENTS

RDK (50)

S-CUT QE (1)

P/N: RDK-12-612/2-50-Go Pack

The RDK Go-Pack is your all-in-one solution for rapid, waterless decontamination in mass casualty incidents.

Scalable for Any Scenario:

Includes 50 RDKs with color-coded FiberText wipes. Adaptable for everything from small incidents to mass-casualty events.

No Water? No Problem

FiberText wipes require no water—delivering effective dry decon in any setting, even when resources are limited.

Guided Instructions

Color-coded instructions make it easy for anyone to self-perform decon, step by step, with no external support needed.

Portable and Lightweight

Compact design makes the Go-Pack easy to carry and deploy—ideal for rapid response in any situation.

Includes S-Cut Tool

Each Go-Pack comes equipped with an S-Cut for rapid clothing removal, ensuring faster access for effective decontamination.

Tried, Tested & Proven

Already in use by responders across the country and the world—trusted in real-world operations for reliable, effective dry decon.
