

ENDURO® PRO HAZ-LO® INTRINSICALLY SAFE HEADLAMP

Intrinsically Safe, Battery Powered Spot and Flood Headlamp

The Enduro Pro HAZ-LO is a low-profile industrial headlamp with Class I, Div. 1 safety ratings. Three lighting modes cover a variety of tasks: spot for a focused beam, flood for soft area illumination that won't tire your eyes and spot/flood combo for even more light output.

- **Three Modes:** spot/flood combo for increased light output, spot for distance, flood for area illumination
 - **Spot/Flood Combo:** 235 lumens; runs 4.75 hours
 - **Spot:** 160 lumens; 73m beam; runs 5 hours; 1,320 candela
 - **Flood:** 160 lumens; 20m beam; runs 5 hours; 100 candela
- Multi-function push-button switch
- Tough thermoplastic construction with polycarbonate lenses
- Powered by three (3) AAA alkaline batteries
- 45° tilting head, especially handy for reading
- **IP67** waterproof; 2-meter impact resistance tested
- Includes three (3) AAA alkaline batteries, elastic head strap, rubber hard hat strap, and 3M Dual Lock reclosable fasteners for strapless mounting to hard hats
- 3.5 oz (99.2 g) with batteries

3M and Dual Lock are registered trademarks of the 3M Company.
