

TRIDENT® HEADLAMP

Low-Profile, Rugged AAA Battery-Powered Headlamp

The Trident Headlamp is a rugged, low-profile, spot and flood headlamp designed for versatility and performance for industrial applications and all-weather outdoor use. It features a single white spot LED for long-distance lighting and three white flood LEDs for up-close task lighting. Packaged with both elastic head and rubber head hard hat straps.

- Meets lighting needs for both close-up and distance work
- Features one white spot LED and three white flood LEDs
- **Push-Button Sequence Through Modes:** (1) Flood LED, (3) Flood LEDs, (1) Spot LED, and Off
 - **(1) Flood LED:** 15 lumens; 10 candela; 6m beam distance; 28 hour run time
 - **(3) Flood LEDs:** 40 lumens; 40 candela; 13m beam distance; 14 hour run time
 - **(1) Spot LED:** 200 lumens; 4,000 candela; 126m beam distance; 6.5 hour run time
- 90° tilting head reduces neck fatigue
- **IPX7-rated** design; waterproof to 1 meter for 30 minutes
- Low battery indicator - Headlamp blinks twice at regular intervals for the last 15 minutes of "usable" light
- 2-meter impact resistance tested
- Impervious to shock with a 50,000 hour lifetime
- Tough polycarbonate construction with elastomer over mold
- Unbreakable polycarbonate lenses
- Includes (3) AAA alkaline batteries, elastic and rubber hard hat headstraps
- **Engineered in the U.S.A.**
- **Streamlight's Limited Lifetime Warranty**
